I qualified to take a Concurrent Class but there are no seats available, what do I do?	Please note that concurrent enrollment classes are first come first serve. We do not always have enough seats for all of the students that may want to enroll in the class. We do all that we can to accommodate as many students as possible.
Driver's Ed is only one quarter. What are the options for the other quarter? How do I add those to my schedule?	A Careers class is the other half of Drivers Ed and will automatically be scheduled into the same period, but in the opposite quarter of your Driver Ed. (i.e., if you schedule Driver Ed 2 nd period, 2 nd quarter, then Careers will automatically be added to 2 nd period 1 st quarter.)

I want to schedule one of the audition/application/tryout classes.	When you audition and or apply for one of these courses, the teacher/advisor will submit your name to the Registrar once you have made the team. The course will be added to your class schedule and you can build the rest your schedule. See next question if audition/tryout is after your Arena scheduling dates.
What if Audition/tryout names will not be posted until after Arena scheduling?	Go ahead and build your schedule on the Arena scheduling dates. You have 2 options: <ol style="list-style-type: none"> 1. Do not schedule a class into the period where the desired class will be. The Registrar will schedule the class once the audition class is announced. 2. Build your schedule as if you are not in the audition/tryout class. Schedule a class you are willing to drop during the class period the audition class will be held. Once the audition list is posted the Registrar will add it to your schedule.
How do I sign up for early morning seminary (Release Time)?	Contact the seminary to enroll in their early morning class. Early morning seminary is not during the school day (periods 1-8), therefore, if you are in early morning seminary, do not add seminary to your schedule.
I can't find a class in "Course Description".	The course description that you type must match what is on the Master Schedule that is posted on the website. (i.e. you will not find "English" or "Language Arts" because its name on the Master Schedule is actually "Lang Arts")
I can't find a class by "Subject".	Try one of the other subjects. "Subject" is identified by graduation requirement codes. Some subjects can be credited to more than one graduation requirement (i.e., ballroom dance can be credited to either Healthy Lifestyles or Fine Arts).
I can't find a class with my favorite teacher.	The teacher you are searching for may not teach the course that you are looking for, or there are no seats available in the class.
Can I schedule a semester class all year (i.e., Weight Training 2, Teacher Aide, or Adv. Study Research for both semester 1 AND semester 2)?	Yes you can but please make sure you are scheduling the appropriate classes to meet graduation requirements.
The "Add" button does not work.	Class is full. Choose a different teacher or period. If there are no other options, schedule an alternate course.
I plan to graduate early during my senior year. Can I schedule classes only in Semester 1, and leave Semester 2 unscheduled?	No, you must sign up for a full-year worth of classes. If you meet the graduation requirements early and have the proper paperwork in place with your counselor, then your counselor will adjust your schedule at the time you graduate. Please visit with your counselor as soon as possible.
I don't plan to go to Herriman High next year.	Contact the Registrar's Office at 801-567-8530.

"Add/Remove" option is not available.	Your Arena Schedule window is not available. If you are attempting to build your schedule a minute or so before the window opens, try to refresh your screen, click on "Arena Scheduling".
I cannot find a course under "Description" search.	Click on "Next" at the bottom of the page to see more courses that are available.

What if on my scheduling day, I cannot get into one of the courses and my schedule is not complete? If a student finishes his/her credits early (or if there are few credits required) in their Senior year, what options are available for that student if they do not want to take classes with extra work and time that isn't required?	The law requires students to be enrolled full-time unless there is a medical or educational reason approved by the district to be part-time. Work Experience is an option for students who have a job. They would need to see your counselor to find out details on the program. If graduation requirements will be met early, students can apply to graduate early. The paperwork needs to be on file in the counseling center one quarter prior to the student graduating.
Can I create a schedule during the Arena window and change it later that day when the window is still open or is it final once it's submitted?	You may make changes any time your Arena window is open. See the Timeline of Events for dates and times.
