

North	Chris Titus, Principal		9301 S. Wights Ft. Rd (3491 W.)	West Jordan, UT 84088 (801) 256-5		
South	Nicole Plenert, Principal		12723 S. Park Avenue	Riverton, UT 84065 (801) 412-1300		
CAMPUS	PROGRAM	Semester/Year	DESCRIPTION	Recommended Prerequisites	**CE Credit	***AAF Science
<b>Agriculture Education</b>						
SOUTH	Landscape Management	Year A or B Day	Students develop knowledge and skills in nursery operation and landscape management practices preparing them to select appropriate plant materials and design, install, and maintain interior and exterior plantings and hardscapes. They will also learn to maintain the facilities and equipment associated with landscaping nursery operation.		3 USU	
NORTH	Veterinary Science	Year	Learn to assist veterinarians in examining and treating a variety of species. Skills include lab medicine, critical care nursing, dentistry, and anesthesia. Clinical experiences are part of the course.	Biology		1 AAF-S
<b>Health Science Education</b>						
NORTH	Biotechnology and Advanced Biotechnology	Year	Learn basic lab techniques. Students will be involved with hands-on experiments using state of the art equipment. Topics include forensics, genetics, bioethics, and more. Second year students complete an internship.	Biology Chemistry	4 SLCC 3 SLCC	1 AAF-S
NORTH	Dental Assistant	Year	Learn to assist in performing the functions of a dental practice including chairside assisting, patient preparation, office functions and laboratory procedures. Clinical experiences are part of the course.	Health Occupations		
SOUTH	Emergency Medical Technician *	Semester	Learn how to administer life support and earn EMT Basic I endorsement in this semester long class for seniors. The EMT Basic I certification exam is given at the end of the course.	Fire Science Anatomy/Physiology Must be 18, Within 90 days end	9 UVU	
NORTH	Medical Assistant *	Year	Learn to assist with medical office procedures including patient examinations, treatment and follow-up, record keeping and laboratory duties. Clinical experiences are part of the course.	Health Occupations Anatomy/Physiology	3 SLCC	
NORTH	Nurse Assistant (CNA)	Semester	Learn to provide basic care for patients in this semester class. Prepare to take the state CNA exam. Clinical experiences are part of the course.	Health Occupations Biology	5 SLCC	
NORTH	Occupational Therapy	2nd Semester Only	Learn about the field of occupational therapy and the effects of illness or disability on clients and families. Learn techniques to help improve the quality of life for individuals. Clinical experiences are part of the course.	Health Occupations Anatomy/Physiology	5 SLCC	
NORTH	Pharmacy Technician *	Year	Learn to prepare prescriptions, dispense medications and maintain patient records and assist pharmacists during patient consultation. Clinical experiences are part of the course.	Sec. Math 2 Keyboarding Skills Chemistry	3 SLCC	
NORTH	Physical Therapy	Semester	Learn components of physical therapy including anatomy/ physiology, recognition, evaluation and treatment of injury, sports nutrition and first aid. Clinical experiences are part of the course.	Anatomy/Physiology	3 SLCC	
NORTH	Surgical Technician *	Year	Learn to assist in surgery. Skills include: proper sterilization, patient after-care, instrument handling and surgical inventory.	Health Occupations Biology	34 SLCC	
<b>Information Technology</b>						
NORTH	Computer Programming	Year	Computer programming/software engineering and applications are the focus of this course of study. Students are introduced to the fundamentals of computer programming. Students learn to design, code and test their own programs while applying mathematical concepts.	Computer Programming 1 at home high school or equivalent	3 SLCC	
NORTH	Digital Media	Year	Develop skills in graphics, text animation, audio, video project management and evaluation, script writing and storyboarding. This course is offered first and second semester.	Computer Tech Multimedia	7 SLCC	
NORTH	Web/Mobile App Development	Year	Build a web site using skills and knowledge of internet technologies, network infrastructure and web authoring. This course is offered first semester or full year.	Computer Tech Multimedia		
<b>Technology and Engineering</b>						
NORTH	Engineering 1 and 2	Semester/Year	Use math, science and technology to learn about the exciting world of engineering. Invent, design and build things. Second year students use advanced skills to design and develop systems for the future.	Physics Sec. Math 2 Technical Design	2 USU Pending	1 AAF-S
<b>Skilled and Technical Sciences Education</b>						
WEST JORDAN	Automotive Collision Repair Technician	Year	Learn to repair, paint and refinish automobiles. Skills include welding, painting, finishing and estimating repair costs.	Auto Welding	12 SLCC	
SOUTH	Barbering	Semester	Barbering prepares students to cut and dress hair, shave and trim facial/neck hair and beards. Students will learn about customer relations and salon management. Instruction includes history of barbering, health and			
NORTH	Commercial Aircraft Pilot	Year	Learn the fundamentals of aviation, principles of flight, aircraft operations, weather, navigation, safety, and FAA rules and regulations.	Sec. Math 2 Physics Computer Classes	13 SLCC	
SOUTH	Criminal Justice	Semester	An inclusive set of courses that exposes students to development and evolution of components of the American Criminal Justice System, including the history of racial, ethnic and gender discrimination on charging, conviction, incarceration and employment. Examines the history, function, and administration of corrections in the criminal justice system. Criminal law and classification of crimes. Insight into the workings of law enforcement		12 SLCC	
SOUTH	Fire Science	Semester	Learn the skills to become a firefighter including equipment operation, maintenance and fire science. EMT is a recommended class for fire science students.	Sec. Math 2 Law Enforcement	4 UVU	
WEST JORDAN	Heavy Duty Diesel Mechanic	Year	Learn how to use tools and equipment safely, work on Diesel Engines and systems. Tear down a diesel engine and rebuild it.	Auto Welding	8 SLCC Pending	
SOUTH	Nail Technician	Semester	Prepares students to shape fingernails and toenails, remove unwanted skin and blemishes, apply polish and cosmetics to nails, and function as licensed manicurists or nail technicians/specialists.			
BINGHAM	Welding	Year	Learn welding safety, theory, and skills while applying understanding to practice welds and projects. Gas, Arc, MIG and TIG welding methods will be used.			
<b>Teacher Education</b>						
SOUTH	Teacher Education	Year	Learn about the field of education. This is a starting point for an education pathway at most Utah colleges. Practicum/internship experiences are part of the course.	Adult Roles Child Development Peer Tutoring	9 SLCC
