Mythology		AP BC Calculus	Geology	AP Spanish
Shakespeare		Math 1010	Zoology	Comparative World Religions
Speech 1			Principles of Engineering	
			Medical Anatomy and Physiology	

What Do I Need To Do?

Grade 9

Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.

Grade 10

Verify with your high school guidance counselor and the online core-course listing to make sure you are on track.

Grade 11

Register with the eligibility center.

Make sure you are still on course to meet core-course requirements (verify you have the correct number of core courses and that the core courses are on your high school's 48-H with the eligibility center).

After your junior year, have your high school guidance counselor send a copy of your transcript. If you have attended any other high schools, make sure a transcript is sent to the eligibility center from each high school.

When taking the ACT or SAT, request test scores to be sent to the eligibility center (the code is "9999").

Begin your amateurism questionnaire.

Grade 12

When taking the ACT or SAT, request test scores to be sent to the eligibility center (the code is "9999").

Complete amateurism questionnaire and sign the final authorization signature online on or after April 1 if you are expecting to enroll in college in the fall semester. (If you are expecting to enroll for spring semester, sign the final authorization signature on or after October 1 of the year prior to enrollment.)

Have your high school guidance counselor send a final transcript with proof of graduation to the eligibility center.
