

HERRIMAN HIGH SCHOOL SUMMER DR. ED. 2017

June 5-16, 2017

REGISTRATION CHECKLIST

Registration packets will be accepted starting March 13, 2017

____ I have read the registration information and understand the attendance policy for HHS Summer Dr. Ed.

____ I understand that my son or daughter cannot legally drive on the road with anyone until he/she is issued a valid learner permit. You are strongly encouraged to get your permit before the class begins.

____ I have read the "*How Do I Get a Learner Permit?*" checklist.

____ I have completed the SUMMER SCHOOL DRIVERS EDUCATION 2017 application (available on the HHS website). I understand incomplete applications will not be accepted and will not reserve a spot in the class.

____ I have a photocopy of the student's birth certificate (must be 16 on or before 10/15/17— no exceptions— please don't ask for one).

____ I have paid the \$140 fee to the HHS Main Office and received a receipt.

____ I have submitted the application, fee receipt, and photocopy of student's birth certificate to an HHS main office secretary. **(40 student maximum for the class---first-come, first served)** Registration begins March 13, 2017

How Do I Get a Learner Permit?

___ Turn **15** years of age—it is best to wait until 15 years and 2-3 months of age as it is very difficult for some to finish all requirements before the 16th birthday—many students won't even finish the classroom portion before that date.

___ **Pass the state written test** at the D.L.D. This is the recommended option. You may take the test twice in the same day and once on another day for the \$15 learner permit fee—if you need to take the test a fourth time or more you will need to pay an additional \$15. The sooner you get your permit, the sooner you will be eligible to apply for a license—you must hold a learner permit for 6 months before applying for a license unless you have already turned 18 years of age when your learner permit is issued.

OR
