Class of 2022 – April 29th – 30th

If you will be attending Herriman High School for the 2019-20 school year, you will need to request your classes through the student login, not the parent login on skyward. There are instructions included on how you do this, click on the tab titled, “Online requests tutorial” on herrimanhigh.org, School Information tab and then Arena scheduling.

Current Sophomores and Juniors have until February 8th to make their online requests. Current 9th graders will receive packets at Sophomore Orientation on February 6th here at Herriman High School or the next day at Copper Mountain Middle School if you can't make it on the 6th.

After this date, counselors will make sure students have enough requests to complete a schedule.

In April, before Arena opens, you will receive a class schedule based off your online requests. During your Arena scheduling you can make changes to your schedule if seats are available to do so.

Keep in mind that you are only able to access online requests if you are attending Herriman High next year and are active in our system. If you run into any issues please contact the Registrar's office at 801-567-8590
