

Dear Jordan Applied Student (JATC):

I would like to take this opportunity to introduce myself as your Career and Technical Education (CTE) Coordinator at Herriman High. I am available to you in the Counseling Center and hope to assist you with any questions or concerns you may have about your program at the JATC. Below are some items that I would like to bring to your attention. (Go to www.jordantech.org for latest info on busing, instructor contacts, etc.)

- **1st Semester/Year-long-Courses at JATC begin Monday, August 19th.** Plan ahead and be ready to attend JATC the *first day of school*. You will want to understand the busing before school starts. **If you want to ask questions the first day then you could miss the bus.**
- **The JATC will generate your ID, which all Herriman students will need to leave class or when there is assembly.** You may be asked for ID at any time.
- **Busing information** beginning August 20 can be found on the back of this letter along with other information about lunch, begin/end times, late-start Friday schedule etc.
- For important updates from Herriman during this year: **Please refer to the attach handout “remind.” It is very important that you do this.**
- We now have two tech centers in Jordan District. **JATC North** is located at the SLCC campus on Bangeter/9000 South & **JATC South** is on 12723 Park Avenue in Riverton. In addition there are a few **satellite programs** at West Jordan High School (reminder, no busing to satellite programs, see reverse side of this letter for parking.) Go to www.jordantech.org to find where your program will be held.

Herriman’s bell schedule (included) will affect the afternoon students. Teachers at both Herriman and the JATC will work with you. PM students that ride the bus will be excused at 10:40 am M-Th. PM students who drive should have plenty of time. **PM students please save this letter to show your 2nd and 6th period Herriman teachers. The PM students need to be released at 10:40m.**

I hope this is helpful to you in planning for the beginning of the school year. If you have any other questions please feel free to contact me at julianna.wing@jordandistrict.org . You can also call the Career Center at 801-567-8586 starting Tuesday, August 6, 2019.

Sincerely,

Julianna Wing
Herriman High School

Important Information JATC North Campus and JATC South Programs

Many students have a little anxiety about the schedule and how to make it work. Everyone feels the same as you and after the first few days you will have it all figured out. Be proactive and ask questions prior to the 1st day of school.

Please email with questions.
